## NOTICE OF ERRATA

The Defendants respectfully submit this errata to its Brief in Support of Defendants’ Motion to Dismiss, which was filed August 25, 2020, at ECF No. 52, in order to provide accurate tables of contents and authorities, and to correct several typographical errors in the document.

None of these changes are material. The edits to the tables include corrected page numbers, conforming edits to a missing authority cited in the Brief, and minor typographical corrections.

The other typographical edits to the document include changing “NKM” to MFU” in the case number on the cover page; on page 9, changing “block” to “bloc,” removing “adherence” before “adhering,” and changing “taken on in” to “taken in”; on page 29, correcting a cite to the *Public Citizen* case; on page 33, correcting “Plaintiffs” to “Plaintiffs” in the subheading; on page 38, adding a missing comma and removing the Defendants’ internal tracking number; and making conforming edits to use “decisionmaker” and “decisionmaking” consistently throughout the document.

The Defendants are concurrently filing a corrected Brief containing these changes.
